NOTIFICATION OF QUALITY CONTROL DATA STATUS

We have completed our review and evaluation of the changes to your Quality Assurance Manual dated April 16, 2011, and find they comply with the intent of Federal Aviation Regulation, Part 21. Your submitted data is, therefore, approved as of this date, except that the Federal Aviation Administration reserves the right to require such changes, additions, or clarifications as may prove necessary, as a result of subsequent inspections and evaluations, to ensure continued compliance with appropriate regulations.

This notification should remain on file as evidence of Federal Aviation Administration approval of your quality document.

Document Name: Aircraft Battery Shop Quality Manual

Document Number: None

Revision Number: Original Issue

Date: April 16, 2011

Comments: Implementation of this Quality Manual is not authorized prior to April 16, 2011.

Sincerely,

Shea Sullivan, ASI (Mfg.)
Atlanta Manufacturing
Inspection District Office
